PROMOTING QUALITY CHILD CARE

CCCMONTANA.ORG

March 13, 2019

Founded in 1978, Child Care Connections (CCC) is a 501(c)(3) nonprofit organization with offices in Helena and Bozeman, Montana. It is our mission to advocate for the well-being and quality care of children by supporting early childhood professionals, families and the communities we serve. Serving over 7,000 community members annually we are committed to giving our Montana children the best start possible, despite circumstance.

I am writing to ask your assistance in strengthening early childhood development services in the Greater Helena Area, and nearby counties. We are currently in the process of planning our First Annual Early Childhood Luncheon in Helena and hope that you will consider becoming a Table Sponsor for this event.

This event in celebration of early childhood will take place on May 9th at the Helena College Airport Campus from 12 pm – 1 pm, with a half-hour of networking before and after the program. A family-style lunch will be served by Event Thyme as leaders from our organization, and community share the current challenges and success facing early childhood professionals and area families with 50 guests.

Research shows that quality early childhood care is directly linked to increased long-term economic and academic achievement of children later in life. By sponsoring a table at our Early Childhood Luncheon, you will be directly impacting the well-being of young children in our community by supporting this event that provides outreach and education to key community members on the significance of investing in and supporting quality early childhood care.

Table sponsors for this event are being asked to help in the following ways:

- Lend their names to the electronic event invitations, which will be sent to over a hundred people
- Contribute \$200 to inspire and encourage others to donate during the event
- Attend the event and bring others, or suggest additional guests who may enjoy or benefit from this event

Thank you for your time and interest in supporting our work and the First Annual Early Childhood Luncheon in Helena. If you have any questions, please contact me or Rose Heider, our Development and Communications Coordinator at (406) 587-7786.

Best wishes,

A handwritten signature in blue ink that reads "Jane Arntzen Schumacher".

Jane Arntzen Schumacher
Executive Director

1ST ANNUAL

Early Childhood Luncheon

Our First Annual Early Childhood Luncheon will take place on Thursday, May 9th, 2019, from 12 - 1 pm at the Helena College Airport Campus, and it's our goal to raise \$5,000 this year in celebration of early childhood.

As an Event or Table Sponsor, you're helping us build a strong future for vital early childhood services in our community and encouraging others to get involved.

We can't meet our goal without help from community leaders like you.

Our donors make a difference in the lives of local children!
