## **CHILD CARE PROVIDER TRAINING AND FINGERPRINTING UPDATE**

### **Training:**

- Child Care Connections has canceled all in-person trainings for March and April. Program Essentials, Early Childhood Essentials, Preschool and Infant/Toddler classes will be held via Zoom. If you are currently enrolled in one of these courses, you should be getting more information soon.
- We will be hosting one or two free zoom trainings in the coming months and will keep you posted when those are available.
- CPR/1st Aid will be rescheduled as soon as we are able. We are awaiting official word from MT Child Care Licensing about this; however, we have been told by local Licensors that this class will be waived for 60 days.
- CCT ([www.childcaretraining.org](http://www.childcaretraining.org)) is currently running a 50% off sale for all online training.
