COLORING CONTEST RULES FOR ENTRY

Ready... Set... Color! Since you're in the 9-12 age group, we have a special challenge for you. Use our logo, on the front of this sheet, to create a drawing on 8.5 x 11 inch paper, just like this piece. You can draw or color right on this paper. You can draw something that includes your own drawing of our logo, or you can cut the logo out and add it to another drawing. Just remember to submit your contact information with your art!

Once you've completed your work of art, submit it for review by our community panel. Submissions can be left with one of our Distribution Partners (who are handing out coloring sheets), mailed to Child Care Connections (CCC), or dropped off at our CCC offices in Bozeman or Helena.
