

SECOND ANNUAL COLORING CONTEST

Silent Auction!

As our Second Annual Coloring Contest comes to a close, we invite you to participate in our Silent Auction! It is the mission of this event to celebrate young children and also raise awareness of the important role that early childhood care plays in our community.

This year we were fortunate to have the support of some amazing Event Sponsors and donors. With their contributions, we've been able to engage children throughout our service area. With over 230 entries and two days left to submit, we are thrilled to see all of the talent and joy young children bring to our community.

As a past supporter of our work, you understand the critical messaging this event is getting out to stakeholders and individuals in your community. With the highest return on investment of any industry in Montana, supporting early childhood in your community is directly strengthening your community. Participating in our Silent Auction is a fun way to do just that!

Open from April 7th - 15th, our Silent Auction features amazing items from a variety of local artists and businesses. These items have been kindly donated to Child Care Connections to encourage support of our work in the community. It is our goal to raise \$2,000 + through the Silent Auction this year. Every dollar raised will go directly to helping us fill critical program needs to better support families and early childhood professionals.

The bottom line- by participating in our Silent Auction, you're making a difference in our work and supporting children, families, and early childhood professionals in your community.

In the following pages, you'll preview the silent auction items. You're welcome to bid on items using the Bid Sheet on the final page or online at 32auctions.com/LetsColor2021.

Please contact Rose at rose@cccmontana.org or (406) 548-3668 with any questions.

Thank you!

*P.S. We'd also love your help selecting this year's Coloring Champions from April 7th - 14th!
