

BOZEMAN

2022 FAMILY SCAVENGER HUNTS

MONTHLY EXPLORATIONS FOR
CHILDREN AND FAMILIES

CCCMONTANA.ORG

introduction

Week of the Young Child (WOYC) comes each April. This is a time to celebrate and explore all that early childhood has to offer!

Child Care Connections is excited to share this booklet with you! Inside you'll find fun, and free, ways for families with young children to explore your community.

Included are monthly family scavenger hunts, each with its own fun ways to explore seasonal attractions right in your area. With one page of activities for each month, you'll have fun until WOYC 2023!

Check back with Child Care Connections each April for a new book of activities.

Child Care Connections is a 501(c)(3) nonprofit advocating for the well-being and quality care of children.
